COD.170088120

**Grape variety:** Cabernet

**Area of origin:** Veneto (Italy)

**Denomination:** Veneto IGT

**Actual alcoholic title:** 12% vol.

**Residual sugar:** dry

**Description:** Cabernet Sauvignon is one of the world's most valued variety of red grape. In spite of this, the grape variety is relatively young, born from a possible crossing of Cabernet Franc and Sauvignon Blanc during the XVII century in southwestern France.

It pours a strong cherry red colour, with brick-red tinges related to its aging. Intense, refined and full-bodied, this wine has a moderate alcohol content, with a marked personality. The nose is slightly herbaceous, with notes of Parma violets and wisteria.

**Food pairings:** it goes well with meat-based dishes, in particular with roast meat, game and veal loin. Perfect with hard and mature cheeses.

**Serving temperature:** 13-15 °C
